Renata Vasiliauskienė is a Senior Associate in IP & IT and Regulatory Law Practice Group in COBALT. Her main practice areas include privacy and data protection, employment and corporate law. Renata also has an experience in various e-commerce matters, including consumer protection, as well as EU packaging and labeling areas. Renata provides consultations to the clients in all aspects of her practice areas, represents clients in state institutions and drafts related documents. She also participates in seminars and conferences as a speaker, as well as actively attends training and courses in other areas of law. Before she has joined COBALT, she worked in an international law firm in a corporate practice group.
